ATTENDANCE POLICY

Your adherence to the recommended number of treatments is a vital component of your progress with our services. We feel it is our duty to do everything within our power to emphasize the importance of your commitment.

Reminder Emails/Texts/Calls:

While we provide automated appointment reminders as a courtesy, ultimately, the responsibility for remembering your appointments is YOURS.

Late Policy:

If you are less than 15 minutes late and have called to warn us that you'll be late, you may complete the remaining time scheduled for your session, knowing that you will not receive a full session. If you are more than 15 minutes late and have not contacted our office, we hold the right to consider your appointment a "No-Show." As per the Cancellation/No-Show Policy, we reserve the right to charge a $75 cancellation fee.

Cancellation/No-Show Policy:

As a professional courtesy to our office and our Doctors, **WE RESERVE THE RIGHT TO CHARGE A $75 CANCELLATION FEE** If you cancel **WITH LESS THAN 24 HOURS** of your appointment. This is also a courtesy to patients who are on the waitlist who are needing to schedule appointments. While we understand that problems will arise, keeping your appointments is crucial to your ongoing care for the following reasons:

1. In order to help you achieve your goals, you must follow the plan prescribed by your Doctor of Physical Therapy

2. Physical Therapy is a process and it is difficult to maintain progress with poor attendance.

3. Poor attendance will likely result in extended treatment plans, effectively costing you more time and money.
